3D POWERSCULPT

The High Intensity Focused Electro-Magnetic technology repeatedly contracts the muscles throughout the treatment, forcing the muscle tissue to adapt, resulting in muscle building and fat burning, significantly more than what would be possible in conventional exercise. Just one 30 minute session is the equivalent to 20,000 stomach crunches.

This is not to be confused with older technology like direct current muscle stimulation.

Treatment Areas include:

Abdomen, Upper Arms, Inner/Outer Thighs, Buttock (Bum Lift)

Trial Session (First session only) £69

Per session £99
